BEAVERTON SCHOOL DISTRICT BEGINS ATTENDANCE BOUNDARY PROCESS FOR SOUTHWEST PORTION OF THE DISTRICT

As a part of the voter approved 2006 capital construction bond, the Beaverton School District has constructed new classrooms at Hiteon Elementary School to help relieve crowded conditions in elementary schools in the southwest area of the District. Eight (8) new permanent classrooms have been added to the Hiteon campus.

The District began a series of attendance boundary committee meetings in September 2009 to determine neighborhoods that will be reassigned to different school attendance areas effective September 2010. The series of meetings involved the Nancy Ryles, Scholls Heights, Sexton Mountain, and Hiteon Elementary Schools. The meetings are intended to result in committee recommendations to the Superintendent for neighborhood reassignments; the Superintendent, in turn, will make his recommendations to the School Board no later than the December 14, 2009 Board meeting.

Attendance Boundary Review Committees, comprised of Local School Committee (LSC) members, elementary school principals and District central office staff will determine recommendations to submit to the Superintendent.

One meeting time remains for the above referenced schools on Nov 16, 2009 from 6:30-9:00 PM at Hiteon Elementary. The meeting is open to the public and time will be allocated for public input. For further information, please contact Jennifer Garland, Demographer at 503-591-4319.

Just a friendly reminder.... please use extreme caution when entering and exiting the school parking lot and please follow all drop off and pick up procedures.

Attention Fifth Grade Parents!

If you have any pictures of current 5th graders from their early years at Sexton Mtn as a kindergartener to present, please email them to jpless@ptvamerica.com. Include the child's full name with each photo. We want to ensure that every child is represented so please send all the pictures you have. Thank you!
